

INDEPENDENT SAP MM / IS-RETAIL CONSULTANT

Processes that *work on the shop floor*, not only in the blueprint.

Harshvrdhan Rathore

In SAP since 2017 with retail, FMCG, textile and manufacturing clients in India and Dubai (UAE) on S/4HANA, ECC, AFS and IS-Retail programs. I implement and migrate SAP MM and SAP Retail, and train the teams who run it every day.

9+

years in SAP, since 2017

60+

SAP projects

5

end-to-end S/4HANA implementations

350+

outlets live across 38 cities

300+

users trained

Services

S/4HANA and IS-Retail implementation

Article, site, assortment, merchandise hierarchy, procurement, pricing and GST.

Data migration and cutover

Planning and execution, from load templates to the go-live weekend.

AFS to IS-Retail migration

Migration from AFS, plus merger, demerger and carve-out support.

Post go-live support

Stabilisation, issue resolution and end-user training after go-live.

What I cover

Master data

Material, vendor, info record, source list, pricing; article (generic, variants, sets, prepacks), site, merchandise category, assortment and listing.

Inventory

Goods receipt and issue, transfer postings, stock types, physical inventory, reservations and account determination.

Procure to pay

Domestic, import, subcontracting, service, consignment, STO, contracts and scheduling agreements, returns, allocation and release strategy.

WRICEF

Functional specifications, testing and sign-off for workflows, reports, interfaces, conversions, enhancements and forms.

How an engagement runs

STAGE 1

Understand

As-Is study with buyers, stores, warehouse and finance.

STAGE 2

Design

To-Be process and fit-gap analysis.

STAGE 3

Build and test

Configuration, then unit, integration and UAT cycles.

STAGE 4

Hand over

Training, data migration, cutover and go-live support.

Retail integrations

LS Retail

Vinculum

Gofrugal

Mayank

SharePoint

Snowflake

SAP CPI

Fiori

Implementation

S/4HANA IS-RETAIL IMPLEMENTATION

Apparel Group

Article, site and assortment for ALDO, Bath & Body Works, Victoria's Secret and Calvin Klein. Blueprint, procurement and pricing, SIT, UAT and go-live for 350+ outlets across 38 cities.

S/4HANA IS-RETAIL IMPLEMENTATION

Carrefour

Article master, merchandise hierarchy and categories. Third-party integration for master data, POs and inward, LS Retail for master data and MRP sync, SharePoint attachments.

S/4HANA RETAIL EXPLORE AND DESIGN · DUBAI

Seddiqi Holding

Kick-off, explore phase and solution demos for a luxury watch and jewellery retailer; BBP, KDS and BPML design deliverables.

S/4HANA IS-RETAIL GREENFIELD

Yashri Nilesh Ghanshyam Silks

As-Is study, To-Be process design and the business blueprint for MM and retail requirements as MM consultant.

S/4HANA CARVE-OUT AND IMPLEMENTATION

Honestly Italian Pvt. Ltd.

BPML, BBP and KDS for food-manufacturing processes, then configuration, UAT support and final cutover.

S/4HANA IMPLEMENTATION

Nitin Spinners Ltd.

SAP MM end to end, including GST and tax configuration, shop-floor integration and print layouts.

Migration and carve-out

ECC AFS TO IS-RETAIL MERGER

House of Anita Dongre

MM and PS. Data migration, IDoc corrections and cutover of article, purchase, inventory and project data with 100% accuracy in 1 month and 20 days.

S/4HANA CARVE-OUT

Caprihans India Ltd.

Functional logic for upload programs; loaded materials, info records, source lists, batches, open POs and inventory. Interface mapping and testing.

COMPANY DEMERGER ON SAP ECC

JG Hosiery

Company demerger in SAP ECC with effort estimation and company code validation; early-stage guidance on the S/4HANA Fashion (FMS) implementation.

Support

SAP ECC POST GO-LIVE SUPPORT

Mafatlal Industries

MM post go-live support for an integrated textile mill: procurement, inventory and end-user queries.

S/4HANA RETAIL STORE REPLENISHMENT

Metro Brands

Tested MRP and store replenishment planning for a footwear retail chain.

Support (continued)

S/4HANA SUPPORT TRANSITION

Cairn Oil & Gas

NMI / SMI inventory report and approval mechanism for unblocking stock.

S/4HANA SUPPORT

Nirma Ltd.

Procurement, STO and inventory in production; GST and release strategy training.

SAP MM SUPPORT AND CHANGE REQUESTS

Ajay Pipes

MM audit report, stock ledger correction, GST register and HSN prints, new plant set-up, mass uploads.

POST-MIGRATION TESTING AND SUPPORT

HGS / NXT Digital

PO process and output determination, billing and STO print fixes, vendor and ageing reports.

SAP SUPPORT AND PROCESS REDESIGN

KIIT / KIMS

Support take-over across MM, FICO and SLCM; note-sheet approval redesign; interface blueprint.

SAP PRODUCT COSTING SUPPORT

AIA Engineering

Cost runs with allocation and distribution cycles, work centre to cost centre links, test costing.

SAP ECC SUPPORT AND GST ROLLOUT

Detox Group

STO, import, pricing and tax procedure, GR/IR clearing, GSTR-1 specification and manuals.

SAP GST SUPPORT

Indo Count Industries

GST rollout support for home textile, spinning and retail purchasing and sales.

SUPPORT, ENHANCEMENTS AND DATA

Other SAP MM / IS-Retail engagements

Royal Enfield · Mahindra CIE Automotive · Enpro Industries · Maharashtra State Warehousing Corporation · DMart · Zuari / Adventz · Electronica · Pyrotech Workspace Solutions (PS As-Is study)

Training

SAP MM

For freshers, end users and people moving into a functional consultant role.

SAP MM + IS Retail

The full SAP MM course plus IS Retail, for people who want to work on retail projects.

Corporate workshops

Key-user training, S/4HANA Retail delta sessions and master data governance, shaped around your system.
